4th Vendor Conference - Indonesia Health Systems Strengthening Project

Invitation issued by : The Ministry of Health Republic of Indonesia as the Implementing Agency
Name of Proposed Project : Strengthening Indonesia's Healthcare Referral Network (SIHREN), Strengthening of Primary Healthcare in Indonesia (SOPHI), and the Indonesia – Public Laboratory System Strengthening (InPULS) Project Components
Country : Indonesia

1. The Ministry of Health (MoH) is the Implementing Agency for the Strengthening Indonesia's Healthcare Referral Network (SIHREN), Strengthening of Primary Healthcare in Indonesia (SOPHI), and the Indonesia – Public Laboratory System Strengthening (InPULS) Project Components totaling at around US\$4 billion.
2. The SIHREN, SOPHI, and InPULS components aim to fill critical medical and laboratory equipment gaps, including accessories and consumables, in all public health and laboratory facilities across Indonesia's over 6,500 inhabited islands, including over 560 public referral hospitals, public health laboratories and 10,000 *Puskesmas and Pustu* (public community health centers at sub district and village level) and ensure adequate and sustainable operation and maintenance of this equipment upon installation.
3. Following the series of Vendor Conference either held in Indonesia or International Vendor Conference, MoH invites potential bidders to engage in the 4th vendor conference that will serve to provide informations about Technical Specification for SIHREN and SOPHI.

These Vendor Conferences will be held on **Tuesday March 5th, 2024 start from 09:00 a.m.** Western Indonesia Time (GMT +7).

4. Representatives of interested firms can register for participation via the following registration link <https://link.kemkes.go.id/4thVendorConference>. There will be limited capacity for in-person participation at these venues, and depending on the registrations received, MOH may invite a limited number of participants from each registered firm to join in person, also limited to space available in each location for in-person invitations based on first-come-first-served basis.
5. The General Procurement Notice (GPN) for the project has been published on Tuesday, November 28, 2023, on UNDB online, the official website of supporting Multilateral Development Banks (MDBs - the World Bank as coordinating MDB Agency, the Asian Development Bank, and the Asian Infrastructure Investment Bank) and can also be accessed at <http://link.kemkes.go.id/IntProc>.
6. The information dissemination and feedback events will serve to provide information and solicit feedback about the SIHREN and SOPHI project components and technical specification, in order to engage the broadest possible set of interested parties, including those who have previously not been able to attend in-person events. Feedback related to equipment technical specification can be input on : <https://link.kemkes.go.id/FeedbackSpecTech>
7. Interested vendors are invited to attend via video link, with a maximum of up to two participants per interested vendor, on a first-come, first-serve basis until online room capacity has been reached. The link to the online vendor conference will be available on the following website <https://link.kemkes.go.id/4thVendorConference>.
