

Procurement Notice Date: December 18, 2023

3rd Vendor Conference - Medical and Laboratory Equipment Suppliers

Invitation issued by : The Ministry of Health Republic of Indonesia as the Implementing Agency
Name of Proposed Project : Strengthening Indonesia's Healthcare Referral Network (SIHREN), Strengthening of Primary Healthcare in Indonesia (SOPHI), and the Indonesia – Public Laboratory System Strengthening (InPULS) Project Components
Country : Indonesia

1. The Ministry of Health (MoH) is the Implementing Agency for the Strengthening Indonesia's Healthcare Referral Network (SIHREN), Strengthening of Primary Healthcare in Indonesia (SOPHI), and the Indonesia – Public Laboratory System Strengthening (InPULS) Project Components totaling at around US\$4 billion.
2. The SIHREN, SOPHI, and InPULS components aim to fill critical medical and laboratory equipment gaps, including accessories and consumables, in all public health and laboratory facilities across Indonesia's over 6,500 inhabited islands, including over 560 public referral hospitals, public health laboratories and 10,000 *Puskesmas and Pustu* (public community health centers at subdistrict and village level) and ensure adequate and sustainable operation and maintenance of this equipment upon installation.
3. Following the 2nd Vendor Conference held in Jakarta on November 7, 2023, MoH invites potential bidders to engage in the 3rd vendor conference to be held on **Tuesday December 19, 2023 from 8:00 a.m. to 02:00 p.m., WIB (GMT +7)**.
4. The General Procurement Notice (GPN) of the project has been published on Tuesday, November 28th, 2023, on UNDB online, the official website of supporting Multilateral Development Banks (MDBs - the World Bank as coordinating MDB Agency, the Asian Development Bank, and the Asian Infrastructure Investment Bank) and can also be accessed at <http://link.kemkes.go.id/IntProc>.
5. This 3rd Vendor Conference will serve to provide information sharing of partnership, as well as Technical Device Specifications for MRI and high-speed power drill devices under the SIHREN component. Moreover, a dedicated session targeting interested parties for cathlabs will be organized. Potential bidders are encouraged to provide feedback, both during the conference as well as through the various dedicated platforms that have been provided.
6. Interested vendors are invited to attend via video link, with a maximum of up to two participants per interested vendor, on a first-come, first-serve basis until online room capacity has been reached. The link to the online vendor conference will be available on the following website <https://link.kemkes.go.id/3rdVendorConference>
7. The address referred to above is:
