Focus Group Discussion - SIHREN Technical Specification Update
Indonesia Health Systems Strengthening Project

Invitation issued by : The Ministry of Health Republic of Indonesia as the Implementing Agency
Name of Proposed Project : Strengthening Indonesia's Healthcare Referral Network (SIHREN), Strengthening of Primary Healthcare in Indonesia (SOPHI), and the Indonesia – Public Laboratory System Strengthening (InPULS) Project Components
Country : Indonesia

1. The Ministry of Health (MoH) is the Implementing Agency for the Strengthening Indonesia's Healthcare Referral Network (SIHREN), Strengthening of Primary Healthcare in Indonesia (SOPHI), and the Indonesia – Public Laboratory System Strengthening (InPULS) Project Components totaling at around US\$4 billion.
2. The SIHREN, SOPHI, and InPULS components aim to fill critical medical and laboratory equipment gaps, including accessories and consumables, in all public health and laboratory facilities across Indonesia's over 6,500 inhabited islands, including over 560 public referral hospitals, public health laboratories and 10,000 *Puskesmas and Pustu* (public community health centers at sub district and village level) and ensure adequate and sustainable operation and maintenance of this equipment upon installation.
3. Following the series of Vendor Conference either held in Indonesia or International Vendor Conference, MoH invites potential bidders to engage in the Focus Group Discussion (FGD) that will serve to provide information about **Technical Specification Update for SIHREN, both under Co-Financing Scheme (World Bank and AIIB) and Parallel Financing Scheme (IsDB)**.
4. Interested vendor are invited to attend via **video link**, with a maximum of up to two participants per interested vendor, on a first-come, first-serve basis until online room capacity has been reached. Representatives of interested firms can register for participation via the following registration link <https://link.kemkes.go.id/FGDSpecSIHREN>.
5. The General Procurement Notice (GPN) for the project has been published on Tuesday, November 28, 2023, on UNDB online, the official website of supporting Multilateral Development Banks (MDBs - the World Bank as coordinating MDB Agency, the Asian Development Bank, and the Asian Infrastructure Investment Bank) and on Thursday, 21 March 2023 on IsDB online, can also be accessed at <https://ihss.kemkes.go.id/>
6. This Focus Group Discussion will serve to provide information regarding updates to components and technical specifications of the SIHREN project as well as vendor feedback that has been received, in order to engage the broadest possible set of interested parties, including those who have previously not been able to attend in-person events.
